A Chara,

Re: Aviation Fuel Pipeline from Dublin Port to Dublin Airport – Foreshore Licence

Independent Pipeline Company Limited is applying for a 99 year Foreshore Licence to lay a 200mm diameter steel pipeline, length 26m, in the foreshore under the Tolka River, East Wall, Dublin1.

This pipeline will transport aviation fuel from Dublin Port to Dublin Airport and is designed to last for at least 100 years. There are similar pipelines operating in the UK and other European countries since the 1940s. Refer to www.aviationfuelpipeline.ie for further details of the proposal.

I have enclosed the following,

Folder 1/3 x 1 containing
Completed Licence Application Form x 4
Licence Maps x 4
Tolka River Crossing Drawing x 4
Correspondence x 4
An Bord Pleanála Decision x1
Dublin City Council Notification x1
Company Documentation x1

Folder 2/3 x 5 containing,
Natura Impact Statement

Folder 3/3 x 5 containing,
Environmental Impact Statement

1 x CD containing documents in Folder 1
5 x CDs containing documents in Folders 2&3

If you require any further copies please let me know.

Yours faithfully,

John Fingleton.
